DHL Freight – Excellence. Simply delivered.

LOWER SHIPPING COST WITHOUT COMPROMISING ON QUALITY AND RELIABILITY

Stacking your pallets with care and according to our EasyPallet requirements allows you to enjoy better rates for perfectly packed pallets. Messy packing requires additional time and effort and results in higher costs. At DHL Freight, we are committed to delivering transportation excellence and leveraging our extensive expertise to support you.

COST SAVINGS

Unlock cost savings by adhering to our packing requirements without compromising our superior service.

QUALITY AND RELIABILITY

Rely on our expertise to enhance the efficiency of your logistics. With a global network and local expertise, we have established ourselves as leaders in road freight.

PREMIUM FEATURES

Use our additional options for premium service for your neatly packed pallets at a surcharge. Benefit from priority handling as well as a Pre-10 or Pre-12 delivery option.

STICK TO THE REQUIREMENTS AND BE REWARDED WITH A SPECIAL RATE!

- ✓ Palletized, accepted handling unit types: Industry Pallet, Half Pallet, (framed) EPAL Pallet, (framed) EPAL 6 Half Pallet, and H1 Food Pallet
- ✓ The goods comply with our size and weight requirements
- ✓ Shipments are in an appropriate pallet condition for transport, not overhanging and with even surfaces
